

GC-038

GC-038 YAESU LIGHT/MEDIUM DUTY MAST CLAMPS

Yaesu GC-038 Light/Medium Duty Mast Clamps.

Mast clamps are required if the Rotator is to be pole mounted, or as replacement top set.

Note:- Pole size 38mm (1.5") to 63.5mm (2.5")

These are recommended for the G450 to G1000 range but will fit all yaesu totator models.

These clamps are of a medium duty cast aluminium and have 2 sets of bolts each side.
